DECLARATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

I, Teresa Stanek Rea, declare as follows:

(1) I represent the Applicants in the prosecution of the subject application. My Registration Number is 30,427.

(2) Page 24, line 23 of the specification has been amended to include four (4) pages of material. This material is directed to a method for preparation of components useful in the practice of the present invention.

(3) I hereby declare that the material being added to page 24, line 23 of the specification comprises the same material incorporated by reference to Japanese Unexamined Patent Publication No. 62-286949.

(4) A copy of Japan Unexamined Patent Publication No. 62-286949 as well as a partial translation thereof is attached hereto.

(5) I further declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, Title 18, of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.
